Mission, Vision & Beliefs

Our Mission: Reaching, Teaching, Inspiring

A vision is a specific description of what it will be like when the mission is achieved. So, based on the belief that our mission at Blue Ridge Middle School is to reach all students, teach all students, and inspire all students, we are confident that when we achieve our purpose we will feel, see, and hear things like...a unified nurturing environment, active learning and positive communication.

Values and beliefs are the core of who we are, what we do, and how we think and feel. Values and beliefs reflect what is important to us; they describe what we think about work and how we think it should operate.
